

October 15, 2024

Dear Parents and Guardians,

The Mountain View School District uses Google Workspace for Education, and we are seeking your permission to continue to provide and manage a Google Workspace for Education account for your child. Google Workspace for Education is a set of productivity tools from Google including Gmail, Calendar, Docs, Classroom, and more used by tens of millions of students and teachers around the world.

Our Mountain View students currently use their Google Workspace for Education accounts to complete assignments and communicate with their teachers.

The link below provides answers to common questions about what Google can and can't do with your child's personal information.

https://workspace.google.com/terms/user_features.html

Please read it carefully and let Mrs. Strickland (mstrickland@mvsd.net) know if you have any questions. If we do not hear back from you by November 1, 2024 with any concerns, Google Workplace will continue as usual for your child as we will consider your no contact as parental consent.

Thank you,

Dr. Michael S. Elia
Superintendent of Schools
Mountain View School District
