Senior Spotlight—Marisa Ostir

By Regan Cameron

Sports/ Position she plays and awards received:

Marisa is a two sport athlete that plays soccer and softball. In soccer she is a midfielder/ defensive midfielder, and in softball she is an outfielder. Some awards she has received are 2nd Team-All Star in softball, and was given the title of captain her Junior year in soccer.

School clubs she is involved in:

Besides soccer and softball Marisa is also involved in several other school related clubs such as, SGA, Ski Club, Every science club (science olympiad, Envirothon, PJAS) and Honor Society.

Plans for after Highschool:

Marisa Plans on Attending college at Binghamton University or Penn State Main Campus to major in Biomedical Engineering. (She's a SMARTY)

What she is looking forward to most after highschool:

Marisa says she is most excited about "a change in scenery and lifestyle" after leaving high-school.

Favorite Memory from High School:

When asked her favorite memory from highschool Marisa said "when the group B senior boys stole the spirit cup...and ALMOST got away with it." She also will never forget Freshmen year Envirothon Trips with one of her favorite Teachers Mr.T that always ended with an ice cream stop.

One thing she learned in highschool, and advice she has for people entering high-school:

Marisa learned to NEVER dare Connor Richmond to do anything, especially throw a hard dinner roll from a school lunch down the stairway! Advice she has to incoming highschoolers " High School is what you make of it, so make it a good one."

Interesting/fun facts about her:

1. She has a dog adopted from Puerto Rico
2. Her favorite food is Broccoli pizza
3. She works at a flower shop where she helps create wedding bouquets and centerpieces.

This Week in History

By: Jordyn Walker

- On October 5, 2011, Steve Jobs, the co-founder of Apple Inc. passed away due to complications with pancreatic cancer at age 56.
- Arnold Schwarzenegger became the governor of California on October 7, 2003. He was the winner of 135 candidates after an 11-week campaign for the position.
- On October 8 in 1939 Lhasa, a Tibetan city, was filled with people welcoming a 4 year old boy who was soon to become the next Dalai Lama. At the age of just 15, he would become the spiritual and political leader in the middle of a war.

Pet Spotlight

By Emily Biesecker

This week's Pet Spotlight features the amazingly adorable mini Australian Shepherd, Skye. Owned by Emory and Gavin Bewley, this little guy will only grow up to be about 10 pounds. How cute! She loves to snuggle, be pet, and play fetch with a wiffleball. According to Emory, she is "the best dog for little kids!"

Make sure to submit your furry friends to be featured by emailing a picture of your pet along with a few fun facts to mvtv@mvsd.net!

Technology Corner

By: Nate Larkin

Minecraft gets a new update to its mining feature. Look forward to the Caves & Cliffs update of the game, as you now venture through bigger and more detailed caverns with a lot of new additions to the game. It is planned to release in 2021.

Have you wondered how a guy made of blocks would fight against a 13 year old child? (Yep. It's Minecraft again) Steve rocks the block as he enters the ring against 84 other fighters in Super Smash Bros. Ultimate.

Apple had a launch release last Tuesday, and we got to see the all new iPhone 12. It's starting price is \$699 for the standard, and \$999 for the Pro version. Pre- orders are available starting October 16.

Surprise!

By Racheal Galacci

Want to get ahead of your peers by getting **secret spirit cup points**?!

Send an email to mvtv@mvsd.net including your name and grade, with your favorite class and one or two sentences to explain why you chose it!

This is this week's **secret spirit cup points**!

The only people that know about this are the ones that read this.

Watch your points mysteriously rise above everyone else's by keeping this a secret.

Weather

By Michael Gaynor

The weather for this week is going to be a little chilly with 50° throughout varying, and not as much rain but cloudy and some sunshine.

Monday is going to be 51°. Tuesday is going to be the same. Along with Wednesday being a little higher at 54°, Thursday is two degrees higher chilling with 56°. Friday through Sunday ending the week with 56°, 55°, and 49° being a little cold, so something warm to wear would be recommended.

Don't forget about

Spirit Days!

Group A: Wednesdays

Group B: Fridays
