

Dave Weaver Scholarship & PBA Scholarship

We are offering TWO scholarships this year for graduating senior(s) from high school whose parent(s) work in the flagstone, fieldstone, and/or bluestone industry. For those wishing to apply for this scholarship they must meet the following criteria:

1. Any parent(s) owning, working for or working in a flagstone, fieldstone, or bluestone quarry, processing plant, or distribution yard, including office personnel and truck drivers, with a graduating son(s) or daughter(s) who continue their education immediately after high school.
2. Regardless of your grade point average you can apply.
3. There is no preference with regard to the institution that the applicant plans on attending after graduation, meaning it can be to a tech school, beauty school, trade school, college or university.
4. Applicants do not have to be members of the Pennsylvania Bluestone Association to apply for the scholarship, but it will affect your overall score.

Applications can be obtained through the school guidance counselor, or through a request to the Pennsylvania Bluestone Association via email or printed from our Facebook page. Our email is: pabluestoneassoc@gmail.com

The scholarship dollar amount will be established on a yearly basis and will be voted on by the PBA Board of Directors. The money the recipient is awarded will be given directly to the institution he or she is attending to pay for their books, tuition, or any other expenses they may have at the college.

If for some reason a recipient of the scholarship decides not to further their education after high school, the scholarship will then be awarded to another scholarship applicant.

The application must be postmarked by **March 31, 2025**, mailed to the PBA at the address below or emailed to pabluestoneassoc@gmail.com by March 31, 2025.
