

HartMait STEAM (Science/Technology/Engineering/Arts/Math) Scholarship - \$600.00

The term, STEAM, encompasses the focus of STEM subjects while incorporating the Arts. This scholarship is for a Senior who intends to pursue a degree in a STEM field (science, technology, engineering, math) and who has also been active in the Performing Arts (music or stage). The applicant's course work and grades should demonstrate preparation for a STEM degree.

AP Courses taken and score, if available _____

Music / Stage participation during high school years _____

Return to the Guidance Office by **April 5, 2024.**

*The HartMait STEAM scholarship has the potential to be a multi-year award based on continued performance. The 2024 recipient may be eligible for an award of up to \$300.00 for each semester in which a GPA of 3.5 or higher is earned. Please note, the 2024 recipient must still be pursuing a STEM degree and maintaining the GPA requirements in order to qualify.

Additionally, the 2024 HartMait STEAM recipient would be responsible to submit a transcript of semester grades to the HartMait STEAM scholarship chair via email for each semester attended. The \$300.00 per semester award will not be issued without documentation of completed requirements. Email contact information will be provided after presentation to the recipient.
